"Eagle Eyes"

A Community-Based Defensive Program Combating Terrorism

Program Concept

AFOSI

“Eagle Eyes” is a new Air Force-wide defensive program for detecting and deterring terrorism

- **A Neighborhood Watch for Terrorism**
- **Makes Every Airman and Citizen in the Community a Sensor**

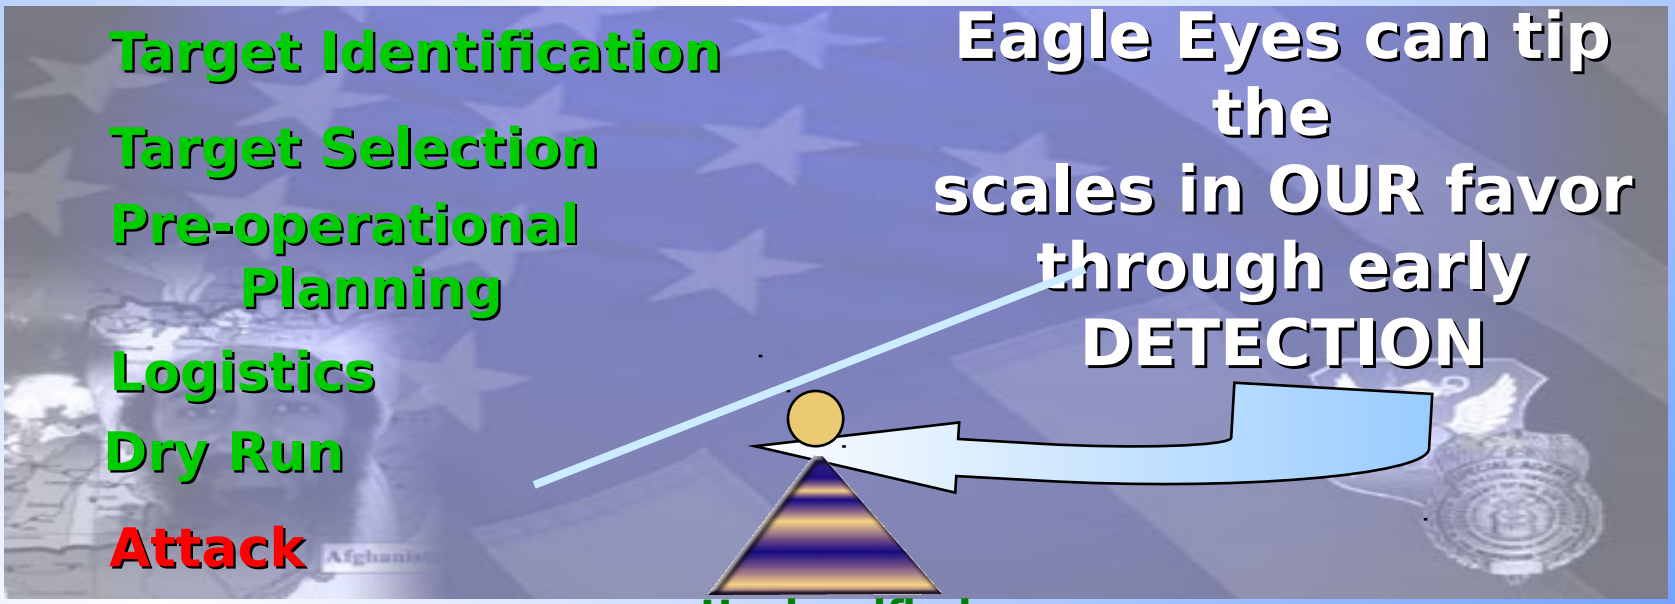
Why It Works

AFOSI

- Law enforcement cannot be everywhere
- Every terrorist act is preceded by observable planning activities
- When *YOU* know what to look for and how to report suspicious activity, terrorist acts can be prevented



What Do You Report?

AFOSI

- Surveillance
- Elicitation
- Threats
- Tests of Security
- Suspicious Activity
- Repetitive Activity

AFOSI Post 9/11 Actions

AFOSI

- **LAAFB Community-wide Anti-Terrorism Briefings**
  - 100% of personnel assigned to LAAFB as well as on and off-site contractors
  - Contact AFOSI to schedule unit-wide briefings
- **Contacting Area Retirees as AFOSI's "Eyes and Ears"**
  - 50+ member network in neighborhoods surrounding LAAFB and Ft. Mac
- **Joint Terrorism Task Force (JTTF) and Early Warning Threat Working Groups**
  - Cooperative effort with Local, State, and Federal Law Enforcement
- **Local Threat and Vulnerability Assessments**
  - Islamic Extremist Threat Assessment (in conjunction with FBI)
  - Survey of local municipal airports
- **Counterintelligence Emphasis on Identifying and Gathering Intelligence on Potential Terrorist Groups**
